Description of the Class

Note: This egg is for display purposes only—this is not the actual design you will be working on

This is your chance to learn from one of the top eggshell carvers from America. During this class Tina will show you how to choose a design to take advantage of the colours available in an emu egg. Instruction will include removing the dark layer, texturing techniques using the dark layer, the grey dusty layer and texture effects, achieving sculpting techniques for depth on the teal layer and also making the white layer clean and knowing when to stop. .

Class Requirements: To be advised

Note: If required burs can be ordered using the Bur Order Form.
