

# 2010 AUSSIE EGGSHELL CARVERS CAMP

## Information Package

### Dates:

Arrive on Saturday, 17th April through to Saturday, 24th April 2010 (vacate venue by 10 am Sunday, 25th). This will be split into 2 3-day sessions with beginner, intermediate and advanced levels of carving being offered throughout the week. You can attend one or two sessions - the choice is yours.

### Retreat Location:

The 2010 carving camp will be held at [Glenbarr](#) Camp & Conference Centre, a Historical homestead property at Strathalbyn, a Heritage Town, situated on the banks of the Angas River. This will allow for a more comfortable, air-conditioned environment without having to worry about the weather.

Converse with nature while enjoying the rustic charm and country ambience - just a short walk into the town for those who would like to check out the local amenities. Glenbarr is located on the north western corner of the town on the Paris Creek Rd, approximately 2 kms from the centre of town, the local pubs, eateries and craft shops.

### Accommodation:

The homestead offers 6 recently built dormitory style rooms accommodating 4 single beds and a double bunk in each room. The rooms are insulated and fitted with ceiling fans and the toilet & shower blocks are just a short walk from the dormitories.

Pillows & blankets are provided but you need to bring sheets & pillow case or a sleeping bag etc plus a towel for your shower. Hopefully we will be able to provide additional linen sets for overseas and interstate visitors or the homestead has some available for hire at \$10 per set.

If you don't fancy this type of accommodation and prefer to organise your own you can contact one of the following places:

### Transport to Strathalbyn from Adelaide Airport

The Adelaide Airport Flyer runs a door to door mini coach express service between the airport and Strathalbyn and we can make a group reservation for those requiring this service. The mini bus holds up to 13 people—naturally the more people using the service, the cheaper it will be for each person. Prices range from \$21 per person for 6 people travelling together down to \$12 per person for 13 people. You would need to arrange your flight to arrive in Adelaide on Saturday 17th April, 2010 by 4 pm so we can have the bus deliver you to the camp site by tea time. Return transport back to the airport on the following Sunday can be arranged for those requiring the service.

Please contact [Maureen](#) privately if you wish to arrange this service.

### Meals:

We will be providing a fully catered camp including a Continental breakfast with cereal, fruit, toast, various spreads, tea & coffee. For lunch there will be a variety of sandwiches and fruit and a hot, home cooked evening meal, including soup and desert will be provided.

### What You Need to Bring:

- **Cutting tool with flex shaft attached. *Note: check that you have the correct nut on the tool to secure the square end of the flex shaft. Please ensure your carving tool is working correctly before the camp***

*Note: Bunnings have a small inexpensive Ozito rotary tool which sells for around \$40 and this is perfect for carving work. A spare flexishaft is recommended*

- Collet to hold small shank dental bur (available from Bunnings)
- Small extension cord if available
- Dust Mask or other safety equipment for your requirements.
- Adequate magnification (e.g. visor or magnifying glasses) for fine work.
- Towels (for bathing and also another one to work on)

Please keep your clothes packing to a minimum due to limited space in the dormitories. As we won't be attending any social events apart from the free day on Wednesday you won't need to bring lots of dressy clothes - we will be there to carve eggs not for a fashion show.

***Note: As many ladies now own a Marathon please ensure all your tools and equipment are clearly marked with your name.***

### Pre-requisites:

#### Carving:

Attendees will need to bring their own cutting equipment (Marathon, Dremel, Ozito or similar), dust mask and other protective equipment as required for their needs. They must know how to cut an egg and use their own equipment - unfortunately time will not allow for basic cutting instruction.

### About the Carving Classes

*New designs are being worked on for both the intermediate and advanced classes and will be sent to those registering their intention to attend the carving camp after the Royal Adelaide Show judging.*

#### Suggested Carving Timetable for the week: (subject to change)

**Session 1** - Sunday, 18th April to Tuesday to 20th April, 2010

Time: 9 AM - 5 PM

Introduction to Carving - Lorna Winch

Intermediate Emu Carving - Tina Boes

Advanced Relief & Filigree Ostrich Carving - Maureen Williams

#### Free day Wednesday

Breakfast will be available on Wednesday morning as usual at no charge but the rest of the day you are on your own.

Explore the town of Strathalbyn or the local wineries and grape growing areas or take a short drive to the delightful German village of [Hahndorf](#), well known for it's arts and crafts shops, [Beerenberg Farm](#), and nearby [Melba's Chocolate Factory](#) and [Cleland Wildlife Park](#). If the beach is more to your liking head off to Goolwa and Victor Harbor and enjoy the delights of the [Fleurieu Peninsula](#)

Maybe dinner and the pokies at the local pub or a trip to the local fish & chip or pizza shop.

**Session 2** - Thursday, 22nd April to Saturday, 24th April, 2010

Time: 9 AM - 5 PM

Intermediate Carving - Rhea egg - Lorna Winch &/or Maureen Williams

Advanced Lace Carving - Rhea egg - Tina Boes

If numbers indicate, classes may be split across sessions.

#### Cancellation Policy

A full refund of monies paid for classes (excluding the Registration Fee) if notification is received at least 1 month (17th March 2010) prior to the commencement of the camp. Cancellations after this time will attract a \$50 cancellation fee. Kits will only be supplied to those actually attending the camp.
